Dear Belinda and Children & Staff at St Mary Magdalene's School,

A very big thank you for the very kind and lovely World Kindness Day letters you made for us. We are so thankful for the kind words you wrote to us, it put a very large smile on all of our faces. We especially loved the jokes, made us giggle.

We have put the letters up in the ward, so we can read them every day and smile.

We are so appreciative you though of us to recognise for World Kindness Day. You all have shown such gratitude towards us.

We hope you all have wonderful weeks ahead.

Thank you and kind regards

Children's Ward Staff
